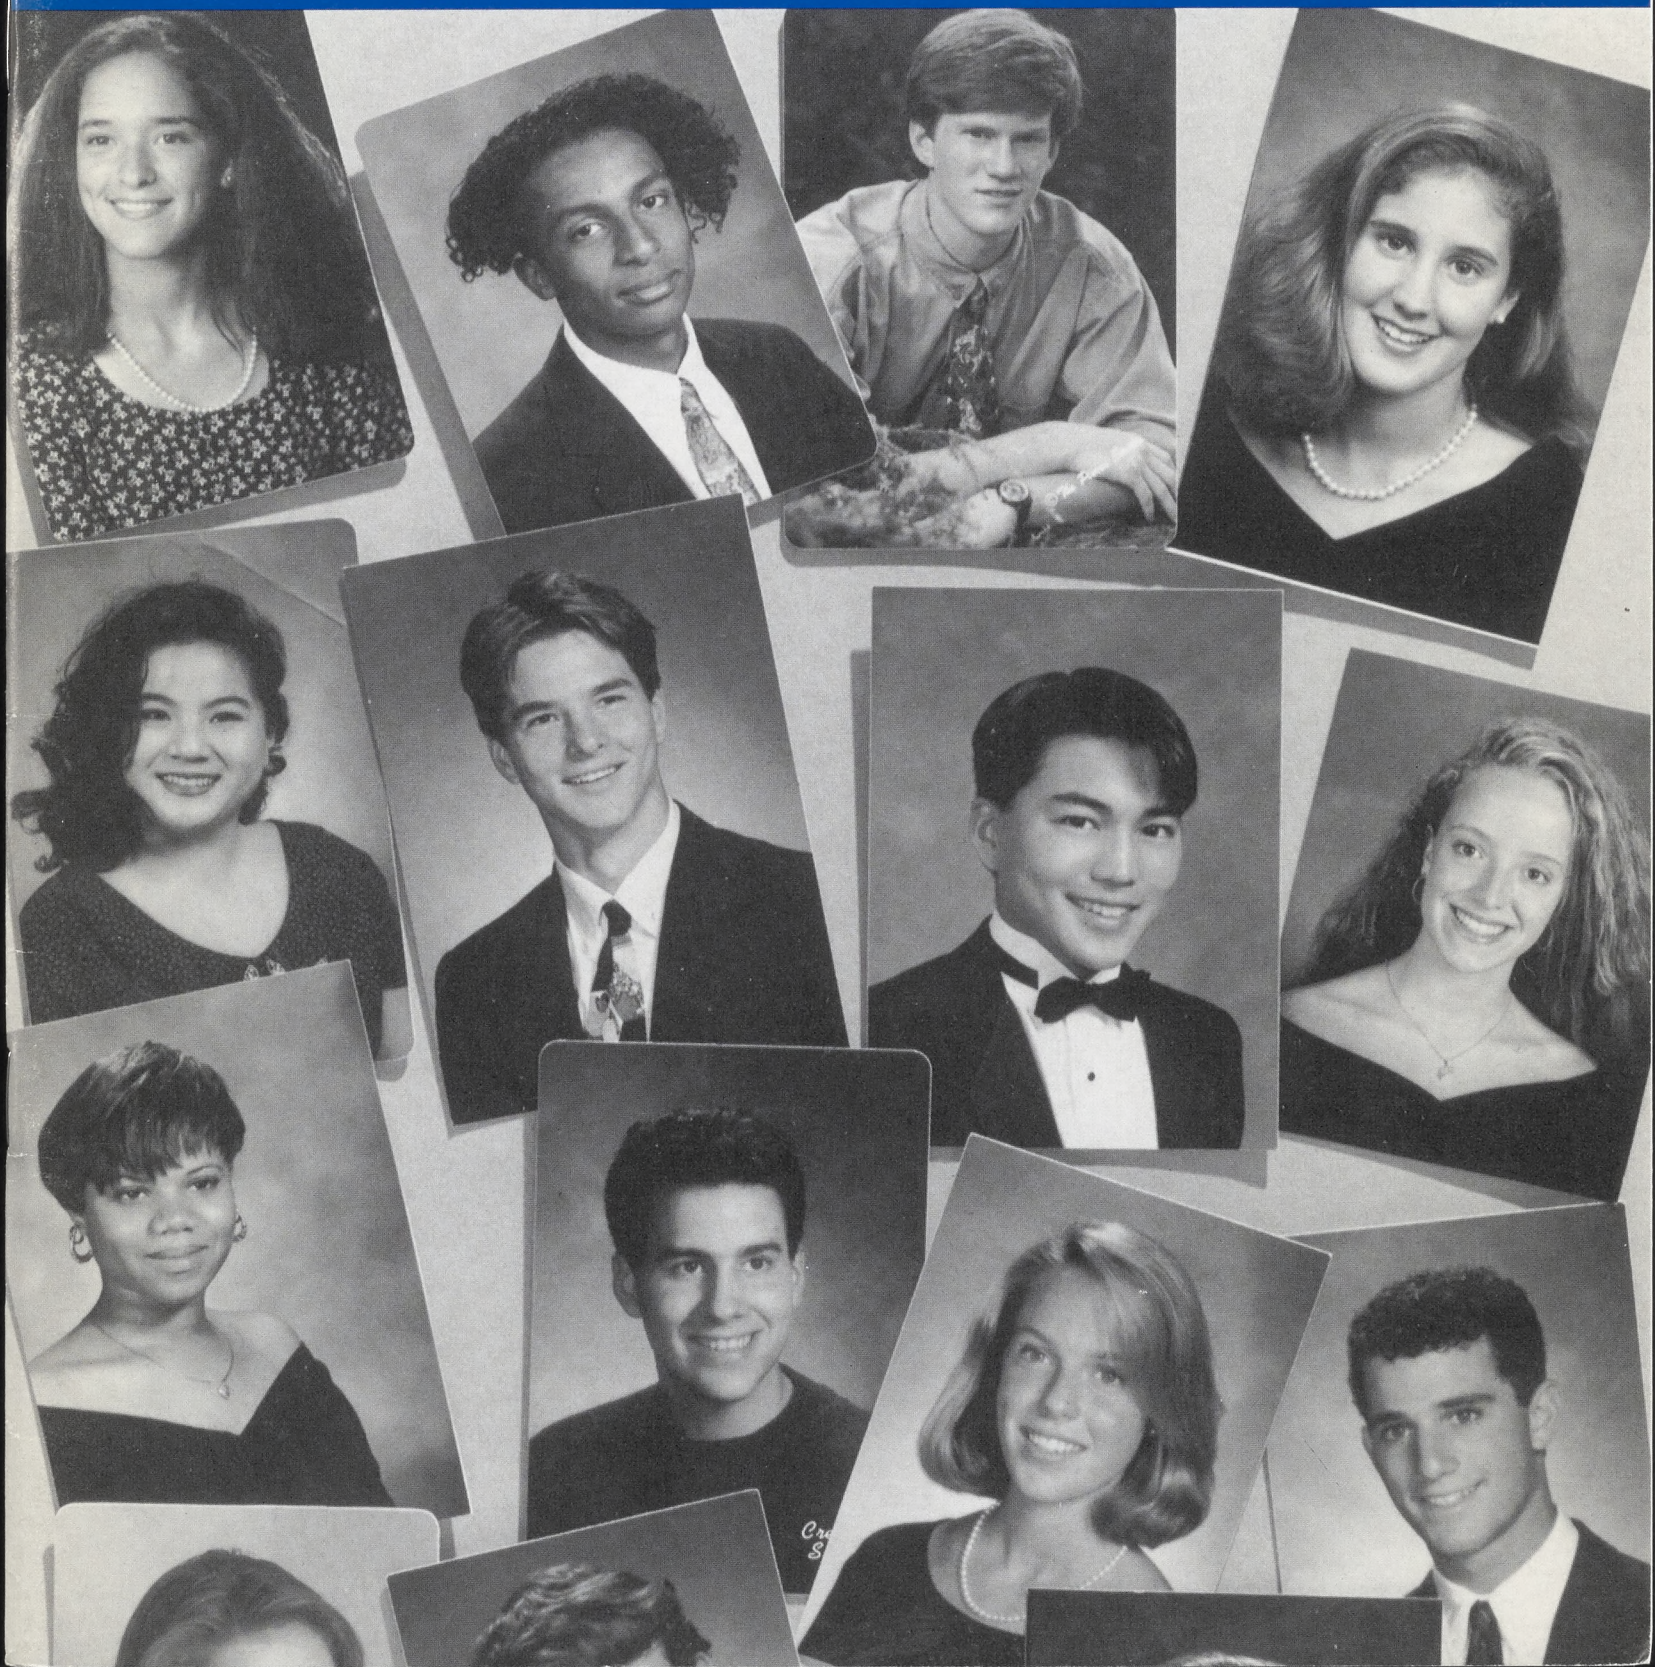
NEW FACES

Middlebury College

1994 • 1995



Welcome! Over the next few weeks you will be seeing many new faces on campus. Among these are members of the College's administrative team whose work brings us into close and frequent contact with students (a separate publication, *Faculty Faces*, will be available early in the Fall). These people, and, indeed, all of us who work for the College, welcome the class of 1998 to Middlebury. We look forward to getting to know you and are pleased to have you as members of this community.
